2022 - “Sister” Red Blend

The Sister is warmth, loyalty, and layered complexity — a blend that speaks in harmony.

Aromas of ripe raspberry, black plum, and crushed herbs rise from the glass, supported by subtle hints of vanilla and warm spice.

On the palate, supple tannins cradle red and dark fruit tones, with notes of mocha and toasted oak adding structure. The mid-palate is generous yet balanced, offering both approachability and depth.

The finish is smooth and enduring, inviting another sip.

Crafted to be versatile and expressive, Sister bridges elegance and comfort — equally suited for intimate dinners or long conversations that stretch into night.

Pair with roast chicken, mushroom risotto, or wood-fired pizza.
