

# RED CAP VINEYARDS

## **2016 Rutherford Sauvignon Blanc**

Our 2016 Sauvignon Blanc is a single vineyard expression from a fantastic site next to the Napa River. It is a blend of 90% sauvignon blanc and 10% Semillon. The juice is a clean, pale straw color with medium viscosity. The nose is enticing with aromas of pear, apricot, honeysuckle and caramelized pastry. In the mouth the wine is bright and juicy with beautiful acidity. Flavors of green apple, citrus and tart candy run alongside a backbone of minerality. A long, lush finish completes the package.
